Dearborn Works

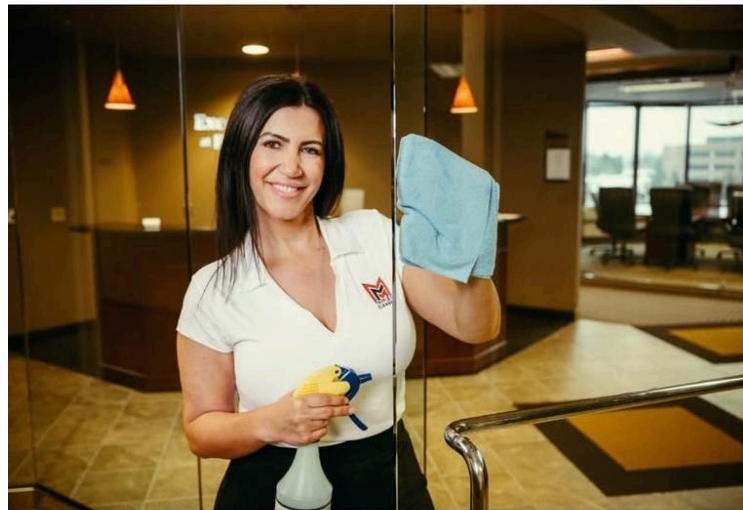

Meet Huda Altamimi! She is the founder of Timeless Jewels, a permanent jewelry brand located in the heart of Downtown Dearborn. Huda officially launched her business in October 2023, and opened a small studio inside Cosmos Salon Suites in 2024. Huda specializes in offering **custom permanent jewelry that symbolizes meaningful connections and lasting memories**. Her service includes attaching delicate, high-quality chains directly to the wrist, ankle, or neck without using traditional clasps. Each piece is a permanent reminder of special moments or milestones in my clients' lives. We are honored to support amazing Arab American small business owners like Huda with capital funding, vital resources, and continuous connections so she can thrive.

Meet the Business Owner:

**Mounira Zahr**

Founder & Owner, MMM Cleaning

MMM Cleaning started as a small custodial business and grew into a company handling large-scale events and commercial sites. Founder Mounira Zahr took on the challenge of cleaning up after 750,000+ fans at the 2024 NFL Draft, a game-changing opportunity for her business.

Tip Of The Month

Our Inaugural Business Bootcamp was an 8-week program designed to equip women entrepreneurs with the tools and knowledge needed to grow their businesses. Each week focused on a different key topic, culminating in a pitch competition where participants showcased their ideas.

Huge shoutout to our graduates and to **Mayor Abdullah Hammoud** for supporting this program.
